ORDER NO.

**2020-825**

**THIS DIRECTIVE SHALL SERVE AS THE COMMISSION'S ORDER ON THIS ISSUE.**

**Order Approving Procedural Plan and Instructing Parties to File Progress Report Every Sixty Days**

**SUBJECT:**

**DOCKET NO. 2019-326-E** - South Carolina Energy Freedom Act (House Bill 3659) Proceeding to Address S.C. Code Ann. Section 58-27-460(A)(1) and S.C. Code Ann. Section 58-27-460(A)(2) (Promulgation and Periodic Review of Standards for Interconnection and Parallel Operation of Generating Facilities to an Electrical Utility's Distribution and Transmission System) - Staff Presents for Commission Consideration the Procedural Proposal by Various "Interested Parties" for Review of Provisions of the South Carolina Generator Interconnection Procedures Not Impacted by the Queue Reform Proposal Pending Before the Commission.

**COMMISSION ACTION:**

I move that the Commission approve the procedural plan suggested by the "interested parties" for a proceeding under Phase 2 of the two-phase approach approved by the Commission in Order No. 2020-660 allowing interested persons and stakeholders to review the South Carolina Generation and Interconnection Procedures not affected by the Duke Companies' Queue Reform Proposal under Phase 1.

The "interested parties" anticipate stakeholder engagement to begin in the first quarter of 2021, and are optimistic that the stakeholder process will yield a consensus set of revisions by the end of the third quarter of 2021.

I further move that the "interested parties" shall file a progress report every sixty days with the Commission, with the date of the first stakeholder meeting being counted as "Day 1" starting the timeline for progress reports. However, the first report must be provided to the Commission no later than March 31, 2021. The "interested parties" shall serve their progress report on any parties who are not included in the "interested parties" group. So moved.
